1. The Classification Review Branch and the Directorate of Operations have reviewed the ~~five transcripts~~ of testimony given before the Senate Foreign Relations Committee as forwarded by your memorandum of 3 November 1988. ~~We concur with the deletions recommended by the Department of State in the 29 March and 19 May transcripts (material bracketed in green).~~ Insofar as CIA equities are concerned, there are no objections to the release of the 7 January, 9 February, 29 March and 19 May 1965 transcripts.

2. ~~We have bracketed portions of the 19 July 1965 transcript in red which must be withheld under Sections 1.3(a)(4) and (5) of Executive Order 12356. This document does not appear to have been previously reviewed by either the Departments of State or Defense and we strongly recommend that this be done prior to publication. We have bracketed one item on page 446 that we call specifically to State's attention as meeting the criterion for deletion.~~

3. We are returning the original copy of each of the five transcripts. If we can be of further assistance, please contact [redacted] Classification Review Branch, on [redacted]
